## **INTRODUCTION:**

**The Lok Sabha is composed of representatives of people chosen by direct election on the basis of Universal Adult Suffrage. The Constitution of India allows for a maximum of 550 members in the House, with 530 members representing the States and 20 representing the Union Territories. The 17th Lok Sabha was formed by the members elected in the 2019 Indian general election. Elections, all across India, were conducted in seven phases from 11 April 2019 to 19 May 2019 by the Election Commission of India.**

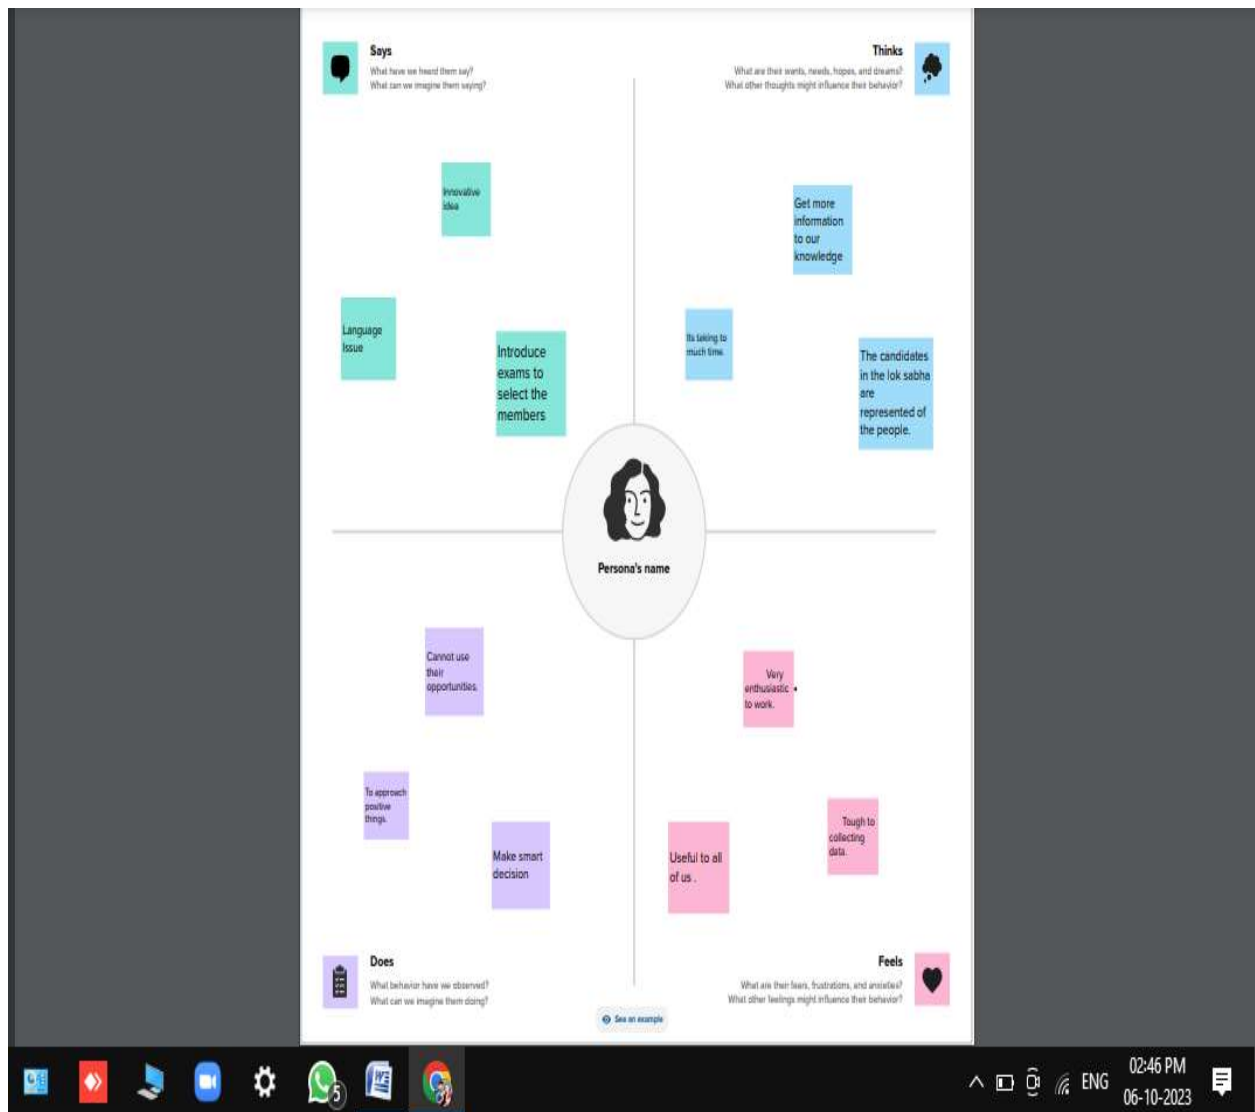

**The Bharatiya Janata Party received 37.36% of the vote, the highest vote share by a political party since the 1989 general election, and won 303 seats, further increasing its substantial majority. In addition, the BJP-led National Democratic Alliance (NDA) won 353 seats.**

## **Purpose:**

**In this project we can extend to know about the Lok Sabha election 2019. Those who are won the election in state wise and party wise.**

**In addition Gender and postal wise votes and many criminal cases are filed while thus 2019 Lok Sabha Election.**

**This chart is called as Donut Chart.**  
**This Chart represents the top10 States Postal Votes.**

## **ADVANTAGES:**

**While processing this project we may have many advantages. The following are advantages what we have**

- They introduced various types of chart to know about the data easily.**
- In case one who is not working on this project just saw one glance that person definitely understand what project is this?**
- This project is easily understand by everyone.**
- Knowledgeable to the given data & final conclusion.**

## **DISADVANTAGES:**

**We prepared more than ten sheets and these ten sheets are merged into the dashboard. Besides the story is about this**

**sheets. Repeat this same process but the caption is different. This is the major shortcoming of the proposed solution.**

## **CONCLUSION:**

**This Project is very useful to develop our skills and very helpful to our future .To know about the entire Lok Sabha election details on 2019 such that those who won, number of votes and etc.**
